### CP Biology – Unit 6 Cover Sheet (Extending Mendelian Genetics)

**Unit 6 = CH 7** Record and keep all assignments in order in the science section of your binder. You will turn in the unit cover sheet at the end of the unit for a grade. Record your grades in the 'assignment grade' column to keep track of how you are doing. Daily homework grades (out of 5 points) will be recorded only in the last column to be totaled at the end of the unit for your homework grade.

#	Date Assigned	Assignment	Due Date	Assignment Grade	Daily HW Points
